Multiple Configurations

Available both as base and tank mounted.

Product offer full portfolio including different tank sizes:

BM, 100 lt, 150 lt, 200 lt, 270 lt, 500 lt

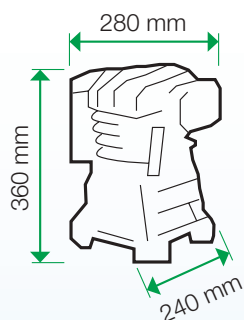

QR code for enhanced product experience

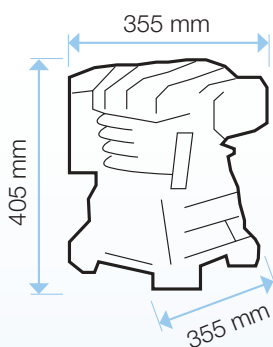

1. Scan the custom QR code label with your phone.
2. Get access to tons of digital resources, such as product info, and tutorial videos.

A49B pump

B5900 pump

Application

Suitable for professional applications from wood/metal workshops to auto body shops & auto repair shop

Hammering

Screwing

Spray painting

Grinding

Drilling

Ratcheting

Extremely High Performance

Space-saving design as compact as a 1-stage pump.

Safer & More Comfortable

Narrow openings to prevent contact between hazardous moving parts and body or clothing + screws easy to reach for belt guard removal.

Performance design

The exclusive design of the belt guard improves the cooling air flow on the pumping unit.

Safety

Lockable pivoting wheels.

The world of ABAC

Care. Trust. Efficiency.

Care.

Care is what service is all about: professional service by knowledgeable people, using high-quality original parts.

Trust.

Trust is earned by delivering on our promises of reliable, uninterrupted performance and long equipment lifetime.

Efficiency.

Equipment efficiency is ensured by regular maintenance. Efficiency of the service organization is how Original Parts and Service make the difference.
